Name		

What are the main ideas of your presentation? What is the goal of your presentation?

How is your presentation involving the audience? List the activities that you are doing.

Write a short paragraph describing your presentation:

What are some obstacles that can get in the way of achieving your goal?

Make a plan: rank what needs to be done from most important to least important. Who is responsible for each.

Example:

1. Finish script on Google Docs.

Person Responsible: all of us

2. Make mini catapult

Person Responsible: Johnny

Our plan:

1.

2.

3.

4.

5.

6.

7.
